Mrs Spendlow's Welcome

The term is rushing by so fast! Thank you to all the parents who attended the 'Meet the Teacher' evening on Wednesday, it was lovely to see you all!

Please find attached a leaflet from the North West Ambulance Service on how to managed minor winter ailments. We have previously attached the new attendance guidance for you to read and ask that even if your child wakes with a sore throat or a little under the weather to send them in to school. If they continue to feel unwell or get worse, we will contact you.

We have also attached a poster for our Autumn Film Night – booking is open!

Wellbeing Challenge: As the weather is changing and the summer sun seems so long ago, do something to cheer yourself up! Have a home spa day - This is the best time to take care of your body the way it deserves. Take a big bubble bath and relax. Wash your hair and put a mask on. Do a small 'at home' facial with a good cleansing, hydrating and rejuvenating routine.

Asda Rewards

Don't forget to download the Asda Rewards App and choose Abingdon as the nominated school! Every time you shop Asda donates money to us which will go towards extracurricular activities e.g. trips etc.

FareShare

We have been working with FareShare for a while now and collected some food items from supermarkets to redistribute to families, but have never had very much. Therefore, we have invested in their delivery service! On Wednesday we will receive our first delivery. We are unsure how much we will get but in the first instance will redistribute it to families that we know would appreciate it.

Once we have had our first delivery and we know the quantity we can open it as much as possible to everyone.

Scooters/electric scooters/bikes

Whilst we absolutely encourage scooting/cycling to school, please can we ask that children (and adults) do **not** ride scooters or bikes around the playground. We know it's difficult as the children will want to because it's a lovely flat surface - but we do not want to have any accidents and they do go very fast.

There are scooter/bike stands on both playgrounds to put them in if you need to.

Reminders:

Please be courteous to our neighbours when parking and adhere to the double yellow lines. The Nursery/Surestart car park can unfortunately not be used by Abingdon parents. Try parking a few roads away and walking to school.

Please bring healthy, appropriately sized snacks to school for morning break and choose packed lunch items carefully to ensure they provide a balanced diet.

Please can we remind parents that children in Years R – 4 must be collected by someone over the age of 16.
