Attendance recognition arrangements:

- ★ The class with the highest overall attendance each week will have the opportunity to 'spin the wheel'. The wheel has many options of fantastic activities children can enjoy, such as wear your slippers day, extra play time and many more!
- ★ Each class who achieves 97% or higher each week, or who show great improvement, will have an own clothes day the following week.
- ★ **ALL children who have over 97% attendance for the year, or who show good improvement of attendance, will have an end of year treat. Attendance monitoring includes broken weeks and lateness. You MUST contact school if your child is late or absent.**

The class with the highest attendance this week is: **Y3/4 Kites with an attendance of 98.63%**

The other classes who also achieved 97%+ in their attendance this week are: **Y5 Kestrels (97.18%) and Rec Otters (96.26%)**

Well done. Class teachers will contact parents to let them know what day will be their own clothes day.

Free School Meals

If you think you may be eligible for Free School Meals, please visit <https://www.stockport.gov.uk/free-school-meals/apply-school-grants-free-school-meals> This means that more money is given to school to provide children with additional opportunities, such as free school trips and additional academic support. You will be helping school if your child is eligible for Free School Meals so please do look and apply if you think you may be eligible.

We have a varied menu which changes weekly, so your child will always enjoy a healthy, filling lunch.

Cars idling outside school

An issue of great concern has been reported to me this week: cars have been idling (leaving your vehicle engine running while stationary) outside school when waiting by the fence area.

Please switch off your car engine if you are waiting outside school, for any period of time. The fumes alone are extremely hazardous to everyone's health – especially young children – and it is made even worse in the winter months.

In doing so, any drivers who are choosing to idle either at drop off or pick up, are breaking rule 123 of the Highway Code and putting other people's health at risk.

I am sure you join me in wanting to keep the school a healthy and safe environment so please support this campaign.

Reminders for school

Mobile phones – mobile phones are ONLY allowed for Year 5 and 6 pupils. If your child is younger and requires a mobile phone to be brought into school, this will need to be discussed on an individual case by case basis with a member of the Senior Leadership Team. Please contact the school office regarding this.

Year 5 and 6 parents/carers need to sign the agreement in order for their child to have a mobile phone on school premises.

Football cards – children are NOT allowed to bring football cards (or any other type of cards) on the school site. Please ensure your child does not bring them in so that they can remain safe at home.

NSPCC Cake Sale and Numbers Day

A huge thank you and well-done to everyone who participated in our NSPCC fundraising events. Mrs Hunt provide herself to be Queen of Bingo as she ran an exciting challenge for children this morning! The cake sale was a roaring success and Miss Harrison and Kestrel's have sold over £300 worth of cakes which will be donated to the NSPCC.

Thank you again for all your support.

School Disco

As you will have read in my letter this week, we are holding a school disco after school on **Thursday 24th February.**

Please note that **After School Club and Multisports club are BOTH CANCELLED** that evening so please make alternative arrangements for childcare if needed.

Disco tickets are available to pre-order on School Spider. All tickets must be pre-purchased and children will not be admitted entry on the door that night.

Finally, well done to **Rec Otters** who won the Golden Broom this week for having the tidiest classroom. Well done for setting a fantastic example to others.

The isolation period for COVID-19 is 6 days with a negative LFD test (24 hours apart on day 5 and day 6). See the link below for more information

The current government advice is still:

If your child is displaying any of these COVID related symptoms

- a high temperature
 - a new, continuous cough
 - a loss of, or change to, your sense of smell or taste
- or

if your child receives a positive lateral flow test, **they should remain at home**. NHS track and trace will inform all close contacts and advise them to also take a LFD test.

Please inform school if anyone in your child's household tests positive for Covid-19.
