Attendance recognition arrangements:

- ★ The class with the highest overall attendance each week will have the opportunity to 'spin the wheel'. The wheel has many options of fantastic activities children can enjoy, such as wear your slippers day, extra play time and many more!
- ★ Each class who achieves 97% or higher each week, or who show great improvement, will have an own clothes day the following week.
- ★ **ALL children who have over 97% attendance for the year, or who show good improvement of attendance, will have an end of year treat. Attendance monitoring includes broken weeks and lateness. You MUST contact school if your child is late or absent.**

The class with the highest attendance this week is: Y2 Rabbits with an amazing 99%. Well done!

They have won popcorn in class as treat next week from spinning the wheel, as well as an own clothes day.

Y6 Ospreys also achieved a fantastic attendance of 97% this week so they too will be having an own clothes day.

The class teacher will contact parents/carers to let them know what day will be.

End of Half Term Attendance treat

We will be having an end of half term treat in the usual raffle format (spinner). The prize this half term is: participation in an animal roadshow workshop! Animals will be visiting Abingdon, so make sure your child is entered by having good attendance over the whole half term (this includes being in on time each day).

Summer Fayre!

I am delighted to share the date of our summer fayre: Friday 8th July. The fayre will run after school from 3:30pm to 5:30pm and there will be a host of stalls ranging from selling refreshments to playing games. We hope that you are able to join us. If you would like to have a stall at the fayre, please contact the school office on 0161 480 4531 / joanne.goddwin@abingdon.stockport.sch.uk. Stalls are £10 each.

We would also greatly appreciate parents/carers helping us to run stalls on the day. If you are able to give some of your time to school – with the additional bonus of a free strip of raffle tickets and a drink/snack – please contact Ms Flanders via claire.flanders@abingdon.stockport.sch.uk. A big thank you in advance! Further information will be sent out soon.

Eid Celebration Day

Children across the school all enjoyed participating in Eid Celebration Day. They made special Eid cards, learnt about the festival and those who celebrate enjoyed sharing their experiences with the rest of the class. We heard about some very exciting Eid parties held with lots of food, gifts and family events!

The children all dressed up in their Eid/party clothes and enjoyed sharing the experience together. Below are some photographs of our day.

End of Year Bouncy Castle Attendance Treat

We will be holding our annual whole school treat for good/improved attendance at the end of the academic year on **Tuesday 26th July**. We have booked bouncy castles for the children to enjoy throughout the morning.

This is available to children whose attendance is 95% or over, **or** children whose attendance has shown improvement. This means that EVERY child in school has the opportunity to take part. Parents/carers of children whose attendance is currently under 95% have received a letter explaining how this treat is open to everyone in school who attends regularly and on time, and shows improvement over the summer term. Reminder letters will also be sent out before half term. Please contact school on 0161 480 4531, or via your child's class teacher, if we can support you with your child's attendance. **We want your child to be in school every day, so we will gladly help with any aspect of attendance.**

WOW - Walk to School Challenge

Thank you for supporting the Big walk and Wheel over the last 4 weeks. Children can earn badges by travelling to school in other ways than by car/if that is not possible parking further away and walking.

If you think you may be eligible for Free School Meals, please visit <https://www.stockport.gov.uk/free-school-meals/apply-school-grants-free-school-meals> This means that more money is given to school to provide children with additional opportunities, such as free school trips and additional academic support. You will be helping school if your child is eligible for Free School Meals so please do look and apply if you think you may be eligible. We have a varied menu which changes weekly, so your child will always enjoy a healthy, filling lunch.

Cars idling outside school

An issue of great concern has been reported to me this week: cars have been idling (leaving your vehicle engine running while stationary) outside school when waiting by the fence area.

Please switch off your car engine if you are waiting outside school, for any period of time. The fumes alone are extremely hazardous to everyone's health – especially young children – and it is made even worse in the winter months.

In doing so, any drivers who are choosing to idle either at drop off or pick up, are breaking rule 123 of the Highway Code and putting other people's health at risk.

I am sure you join me in wanting to keep the school a healthy and safe environment so please support this campaign.

Class Stars

A big well done to the following children who have impressed their class teacher this week by following our core values in and around school:
